(3) CAT 3406 marine gens 345HP Single C and pair of B's

PRODUCT DESCRIPTION

One engine (3406C) has around 8K hrs, the other two (3406B) have around 5K hrs. Came out of a dredge. Vessel was returned, due to owner purchasing larger vessel. Reported they pulled the cylinder head and dropped the oil pan on one of the engines, and everything appears to be in excellent condition.
