

150 ft Supply Vessel - Anchor Handling and Towing - ID 1496

PRODUCT DESCRIPTION

Year - Halter Marine in 1980

Tonnage - 471 GRT / Deadweight - 836 T

Dimensions:

Length - 150'

Beam - 36'

Depth - 14'

Draft - 12.7'

Light Draft - 5.8'

Deck Cargo - 400LT

Clear Deck - 80' x 30'

Capacities:

Cargo Water - 173,000 Gal

Fuel - 78,560 Gal

Portable Water - 39,564 Gal

Drilling Fluids - 1500 BBL

Walk in Cooler - 270 FT3

Crane - 12T Deck Crane

Speed Max - 12knts - 90GPH

Speed Cruise - 10knts - 60GPH

Transfer Rate Cargo Water - 500 GPM @ 160 FT

Transfer Rate Fuel - 500 GPM @ 160 FT

Transfer Rate - Drilling Fluids - 900 GPM @ 200 FT

Accommodations - 22 Galley Seating - 10

Categories: [Supply Boats](#)

Engine Manufacturer/Brand CAT

Engine Model 3508

kW Rating 75

Condition RTO

Additional Information The vessel will require dry docking to reactivate but machinery wise it is good. It was dry docked in 2019 for a project which got canceled. The vessel was laid up since then and is overseen by engineers.
