193' Offshore Supply Vessel - Built 1998

PRODUCT DESCRIPTION

Date built: 1998 in the United States

Length: 193’
Breadth: 48’
Depth: 18’
Gross Tons: 1395 GT ITC
Net Tons: 418 NT ITC

Engines: pair EMD 16-645-E6-LH - 3,900 total horsepower (hours not known)
Reduction gears: (2) “Falk”, model DPC 20235, ratio 3.051:1
Bow thruster: (1) approximately 48” diameter tunnel thruster, powered by one (1) “Detroit Diesel”, model 16V71, 16-cylinder diesel engine.
Generators: (2) approximately 160 kilowatt “Marathon Electric” generators powered by two (2) “Detroit Diesel, model 8V71, 8-cylinder diesel
Propellers: (2) stainless steel 90” x 70” 4-blade propellers.

PILOT HOUSE ELECTRONICS: Radio-(1) multi channel VHF radio telephone, model FM-8900S, manufactured by “Furuno.” (1) multi channel VHF radio telephone, model FM-8800S, manufactured by “Furuno.” (1) multi channel VHF radio, model
IC-M504, manufactured by “ICOM”. Radar-(2) type RDP0159, manufactured by “Furuno.” NAVTEX -(1) model NX-300, manufactured by “Furuno”. GPS-(1) model GP-39, manufactured by “Furuno”. (1) R4 Navigator, navigation system. Depth Finder-(1) model

FCV-628 depth finder, manufactured by “Furuno”. Gyro Compass-(1) model SR-180 MK-1, manufactured by “Sperry”. Magnetic Compass-5” liquid filled compass, manufactured by “Ritchie”. Deviation card dated January 10, 2021.

Dynamic Positioning System-the vessel is outfitted with a “Beier” model IVCS4000 DP-SS, DP single station system, steering system, propulsion controls and bow thruster controls.

Autopilot-(1) manufactured by “Havant Hants” Navitron.
One (1) “EMI” rudder angle indicator.
Two (2) “EMI” shaft tachometers.

INTERIOR ACCOMMODATIONS AND EQUIPMENT:
Pilothouse forward, galley centerline, crew quarters, lounge, head within main structure.
Crew Quarters: (3) 2-man and one (1) 4-man bunkroom located 01 deck level with built-in wooden bunks and wooden lockers.
Each bunkroom at 01 deck level is fitted with private head with porcelain sink and porcelain commode. (1) head with (2) porcelain sinks and (2) fiberglass module showers at 01 deck level. Showers are not fitted with non-slip mats. (1) lounge located at 01 deck level, fitted with the following: (1) 32” “Memorex” television. (1) “Panasonic” DVD/VCR player. (1) “Phillips” DVD player. (1) built-in wooden table with three (3) built-in wooden settees. (1) 6-man and two (2) 4-man bunkrooms located forward main deck level with built-in wooden bunks and wooden lockers. (1) head with two (2) porcelain sinks, (2) porcelain commodes and two (2) fiberglass
module showers at main deck level. Showers are not fitted with non-slip mats.

ABS Loadline Freeboard: 2’-9-15/16” (Summer) / 3’-1-11/16” (Winter)

Categories: Supply Boats
Additional Information Last dry dock: February 23,
