# 33' Fire Rescue Vessel - Year 2013

---

## PRODUCT DESCRIPTION

Running Condition Fire Rescue Vessel

Year 2013 Build

Twin Steyr 306 Marine Engines

Almarin Jets

Length - 33'

Beam - 10' 2"

At the time current owner took ownership, the boat was fully operational and had recently been used on an active fire call. Since then, it has been sitting in the yard and has not been run. While it was in working condition, it will likely need some cosmetic attention nothing major.
