

350T Lifting Capacity Fully Revolving Floating Crane Vessel

PRODUCT DESCRIPTION

350T Lifting Capacity Fully Revolving Floating Crane Vessel

Classification: ZC (China Classification Society)

Built in: China

Navigation Area: Coastal A1+A2

Flag: China

Date of Construction: May 2023

Dimensions:

Length Overall (LOA): 65.28 meters

Beam: 21.80 meters

Molded Depth: 4.5 meters

Draft: 1.886 meters

Tonnage:

Gross Tonnage (GT): 2228

Net Tonnage (NT): 668

Lifting Capacity:

Maximum Lifting Capacity: 350 tons

Main Engines:

Brand: Weichai

Model: X6170ZC-15

Number: 2 units

Power: 660 kW each (900HP each)

Speed: 1200 RPM

Auxiliary Engine:

Brand: Weichai

Number: 1 unit

Power: 456 kW

Self-Propelled: Yes

Diesel Engine Emission Standard: Tier I

Categories: [Cranes](#), [Supply Boats](#)
