

55 ft Workboat / Crewboat

PRODUCT DESCRIPTION

Length - 55'

Beam - 16'

Draft - 4ft Light /

Clear Deck - 20' x 14'

(2) Detroit 8v92 Naturals - REBUILT with just about 200 hours

Kabota Genset 10kw - less than 200 hours on it

Seating Capacity - 20 or so persons

Needs mostly painting work but not really any metal work

Keel cooled for colder weather work.

Bought from a guy who was retired and did commercial towing - owner has a yard - bought for the equipment and decided not to cut it up. Too nice of a boat. Engines look good.

No Current COI - just was used for spot jobs.
