VESSEL DESCRIPTION

90' aluminum Camcraft crew boat available for sale on the Gulf Coast. Built in 1972, this vessel features a 21' beam, aluminum construction and accommodations for up to 45 passengers. Propulsion is provided by three GM 12V71 diesel engines rated at a listed combined 1,200 HP and coupled to Twin Disc MG514 2:1 reduction gears.

The vessel has a listed speed of approximately 20 knots and carries approximately 2,500 gallons of fuel and 3,500 gallons of potable water.

Condition

The vessel reportedly requires **engine/mechanical work and cosmetic attention**. Machinery, electronics, operational condition, certifications, capacities and all other specifications should be independently verified by the prospective buyer before purchase.
