Coming soon!

PRODUCT DESCRIPTION

Borg Warner 71C 2.91:1 good runner, no noise,
ready to go

Volvo Penta HS1A 2.62:1 test ran with no noise
ready to go

Borg Warner 5000 good takeoff,
I need to clean up

Yanmar 4BY2 180hp good runner, low hours, complete
with controls, etc.
I'm replacing front and rear seal and cleaning it up.
Currently missing the flywheel housing

Volvo Penta 2002 sailboat engine runs well
I'm sending out injectors and need to clean up

Volvo Penta KAD42A Ran well
I'm cleaning up and servicing completely
KAMD42 that is almost together but the aftercooler core
and possibly the kompressor are bad. This is an engine I
stripped all the accessories off, cleaned, primed and
painted etc. It will be a good running used engine.
