

Cat 3160 w 210 HP and T.D. MG-506 2.0 Ratio

PRODUCT DESCRIPTION

Run perfectly, meticulously cared for by original owner. I figure they are 40 years old, 100 hours a year in pleasure boat, 1979 40' Viking Yacht, equals 4,000 hours! I figure they are good for another 16,000 minimum. They are 636 cubic inches @ 210 HP. These engines are as close to bullet-proof as you can get
