

CAT C12 Marine Engine - RTO - 1000 hours

PRODUCT DESCRIPTION

C12 with around 1000 Hours. 705HP @ 2300. We are selling it for a local Cat dealer. It was installed new by the dealer and the rear oil seal leaked. It leaked the 2nd. time so they took the engine out and installed another one for the customer. They replace the seal with a higher grade Cat seal, dyno tested and ran it and all was fine.
