

Single or Pair CAT C18 Marine Engine - RTO -600hp

PRODUCT DESCRIPTION

2009 600HP@1800RPM Serial prefix: T2P Arr # 320-9803

One engine has approximately 66,000 original hours.

Believe to have approximately 10,000 hours since Cat dealer rebuilt. Engine has new main bearings and will be dyno tested. The second engine the hours are not known. The serial number for these two are close but not sequential. This unit has new main bearings.

Reported that the rod bearings were in great shape.

Engine has passed dyno. 30 day warranty against major component failure. No factory warranty.
