

CAT D100P Diesel Generator

PRODUCT DESCRIPTION

Cat D100P, built by Olympian 100kW, diesel generator
208/120 volts, 8850 hours
sound attenuated with internal muffler, double
walled fuel tank 200gal, Perkins model 1006 6 cylinder
engine
Length 100", width 30" height 66" weight 3000Lbs

Categories: [Marine Generators](#)

Generator Manufacturer/Brand Caterpillar

kW Rating 100

Voltage 3 phase - 120/208 volt
