

CAT D337 Generator Engine

- Hours 1,111 - 150KW

PRODUCT DESCRIPTION

The unit is approximately 150KW

It has 1,111 hours.

The generator is in the back of a trailer, which has always been kept inside a stall in the warehouse. Purchased from a hospital some time ago and used it throughout the years at the family business at times of power outages.

Last time started was a few years ago and started right up.
