# Detroit 12V71 Marine Engines - 340 BHP at 1,800 RPM

---

## PRODUCT DESCRIPTION

Detroit 12V71 Marine Engines

340 BHP at 1,800 RPM

Takeout good condition and MG5114 4.5:1 gear. Sold together or separate

They both work fine the Twin Disc MG514 gear leaks a bit. Will crank and start - good equipment.

The hour meter was possibly reset with a rebuild, no smoke!
