Heavy Duty Dredge PUMP - 20 X 20 X52 PF OB 7- 3/4 X 8 - 15/16 - REBUILT

PRODUCT DESCRIPTION

Part #24202052OB8937

Unit will be factory REBUILT

90 day warranty

Unit was a demo pump for a customer who ended up buying (5) of them. The unit was brought back to Manufacturer to do a gasket upgrade. The upgrades were made and the pump was cleaned and ready to be re-assembled and painted.

Unit will be brought back up to “like new” condition and manufacturer will stand behind its performance.

(can be converted to a 24” suction but this would add a lot of time)

8-15/16 Shaft diameter with drive end of 5-15/16”

We can have the pump back together and ready to ship in less than 1 week.

The pump weighs approximately 26,500 Lbs.
