## Lugger 6170 - REBUILT Zero Hours - 700hp

---

### PRODUCT DESCRIPTION

700HP @ 1800 RPM

Heat Exchanged Cooled

Wrapped - was a spare engine for the vessel

Rebuild in 2016, after initial 20,000 hours.

Didn't really need it, but had money and two new engines available. So we went with the safe route.

No warranty at this point.

Still wrapped in an outdoor garage, no climate controlled

Has panel, mounts and harness. Hours on panel may not match as may have been moved from another unit at one point or another.
