

Multiple MTU 16v2000 M93 Marine Propulsion Engines and ZF 3060 Gears

PRODUCT DESCRIPTION

Engines and gears were purchased from an auction. Hours are not known. The vessel reportedly sank, but to what extent is not known. The gears are reported to be in very good condition. The engines were damaged. One engine has been repaired, the other two have not. Gears are ZF3060 2.037:1A

For the engine, all harnesses, electric system, ECM, piston set, injectors, and turbochargers were done. The 2nd and 3rd engine needs some electronic parts. Approximately 2 months to do the work.

Located overseas.
