## Pair CAT 3208 Marine Engines - 435hp w/ TD 5061 gears

---

### PRODUCT DESCRIPTION

Pair of clean freshwater Cat 3208 435 hp engines and Twin Disc MG-5061-1.77 transmissions with trolling valves. Engines were professionally removed from a 1998 Tiara 38 Open for re-power. Boat was exclusively used for charter fishing. The engines have 4200 hrs, 80% at low RPM's. Cat service records and oil analysis back to 2007. Starboard engine runs perfect. Port engine dropped an exhaust valve and took out a piston and cylinder wall. Port engine was professionally torn down by CAT technicians and all parts are boxed up. Starboard engine is complete and ready for re-installation. Looking to sell both engines as a package and includes, Stainless Steel Risers, Glendinning Sync, Morse Controls and complete Gauge Cluster. Both engines are currently crated and ready for transport.
