

Pair CAT C12 Marine Propulsion Engines 700 HP

PRODUCT DESCRIPTION

2002

Bobtail

1505 hours, running takeouts out of 41' Albemarle

One engine has excessive blowby, and the other runs fine. Being pulled for a repower.

Per CAT - The blowby is almost definitely a scored liner so we put a parts list together to replace all 6 cylinder packs and that was roughly \$9,000 in parts.

Categories: [Marine Engines](#)

Engine Manufacturer/Brand CAT

Engine Model c12

HP 700

Hours on Equipment 1505
