

Pair MTU 12v183 TE92 Marine Engines - Low hours after full rebuild

PRODUCT DESCRIPTION

Super Clean engines! Vessel had entire engine room rebuilt in 2018. Less than 100 hours on engines/gears. A little over \$300k spent on full rebuild of both engines. Owner has receipts to show work done. Vessel is being retrofitted with new hybrid type propulsion system so owner says engines have to go.. Also have New Gensets and other gear from vessel available.
