# Pair Yanmar 4LHA STE Marine Engines - REBUILT

---

## PRODUCT DESCRIPTION

Pair of Rebuilt Yanmar 4LHA-STE.

Been sitting 2 years.

New rings, bearings, front and rear seals, intercooler cleaning, valve grinds, rebuilt raw water pumps, reconditioned starters, new after market turbochargers, new paint jobs look good. No panels,

Not rebuilt by Yanmar dealer. Reused all pistons and liners. Both have been test run.

Was going to put them in my new boat which never materialized.
