## QSB 380 pair 5.9L marine engines

---

### PRODUCT DESCRIPTION

Just removed from Navy patrol boat. one is the 2009 with 450 hrs. The other one was built in 12/2008 and has 354 hrs. These engines have some surface rust but mostly on starter and alternator which get changed out with new replacements. They also have not been pressure washed, but will. Comes with exhaust elbows, front mounts, new 12v starter and alternator, ECM and Fuel pump recalibrated from 24v to 12v. They will be pressure washed and cleaned up prior to ship. All packaging and skidding for shipment is included In price.

**Categories:** [Marine Engines](#)

**Cooling Method** Heat Exchanger

**Engine Model** QSB380 5.9L

**HP** 380

**Condition** RTO

**Additional Information** Can quote transmissions as well but being sold bobtail. Can also provide props and shafts if needed. Customer should be prepared to clean aftercoolers, heat exchangers and clean up the small bit of rust and paint if desired if they want them completely drop in ready. We can have them painted but would be a charge as well. <https://youtu.be/c6d2v3G7dcU>
