Rebuilt 9KW Onan Diesel Marine Generator

PRODUCT DESCRIPTION

Rebuilt 9KW Onan Diesel Marine Generator

The Cummins Onan MDKDK - 7218062
9 kW Marine Generator is a 9 kW
60 Hz diesel generator powered by a 3-cylinder Kubota engine.

Engine Type: 3-cylinder, 4-stroke, water-cooled Kubota diesel (Model MDKDL / MDKDK)
Displacement: 1123 cm³ (68.58 in³)
Speed: 1800 rpm (60 Hz)
Compression Ratio: 24:1
Fuel System: Bosch PFR-MD mini fuel pump with electric fuel transfer pump
Fuel Consumption: Approx. 2.6 L/h at 75% load (range: 1.1–3.8 L/hr overall)
Cooling System: Freshwater cooling with heat exchanger, expansion tank, and coolant recovery (4 L capacity)
Lube Oil Capacity: 4 L (4.2 qt)

Categories: Marine Generators
Generator Manufacturer/Brand Onan
kW Rating 9
Voltage Single Phase - 120/240 volt
