

Single Cummins 903 Marine Engine w Gears

PRODUCT DESCRIPTION

The engine and transmission are still assembled and complete, minus some equipment that had to be removed to facilitate the removal of the engines. The equipment IE Turbo, and Alternator as well as anything else we removed will go with the engine. boat sailed down from Alaska under its own power. Owner states: "recommend rebuild it before I put it back in a boat. Even though they ran all the way down from Alaska and seemed to be strong runners the oil appears a bit milky to me."

Categories: [Marine Engines](#)

Engine Manufacturer/Brand Cummins

Engine Model 903
