

Single or Pair MAN D2868 LE436 Marine Diesel Engine

PRODUCT DESCRIPTION

2016

1200 HP @ 2300 RPM

Heat exchanger

SAE#1

One unit runs and the other does not.

Has the terminal boxes.

Running engine has 1,195 hours. The engine not running has 1,206 hours. The not running engine bars over freely.

The one that does not run had a failure and was pulled under warranty. There is a possibility to have the failed engine repaired, but would have to ascertain for sure.
