

Single / Pair Detroit Series 60 Marine Engines - 700HP

PRODUCT DESCRIPTION

Running when pulled in 2018. Approximately 20,000 hours on rebuild. Most likely need to be rebuilt. Stored outside under tarp. Wrapped in plastic and ready to ship. Cannot verify condition. The engines have wiring in them but there are no panels on the engines at all. As far as they know, the ECMs are on the engines. They were not removed

Categories: [Marine Engines](#)

Engine Manufacturer/Brand Detroit

Engine Model 60

HP 700

Condition RTO

Additional Information Owner states, "I did not try super hard to turn the engine over but enough to show me that they are not turning currently. So definitely in need of overhaul."
