

Single QSM 11

PRODUCT DESCRIPTION

2010 Cummins QSM 11 450hp wet manifold. Good running takeout, comes with complete harness and 2 instrument panels. 13000 hours. Original owner repowered due to a good fishing season(made money, rather than get taxed did a repower). Good running take out. Current owner purchased for project, but engine is too big. Current owner witnessed in person the engine running on a stand.
