# Yanmar 6LP - STE 315hp Marine Engine 200 hours

---

## PRODUCT DESCRIPTION

Estimated 200 hours. Bobtail. Panel/harness included. They were purchased from outfit in new York. Took head off and pan to inspect, needs a couple pistons and a ring job for sure. Needs crank bearings and probably cam bearings. It did run on engine stand prior to tearing down. Engine is complete, needs to be rebuilt.
