

ZF BW 165 AP1, 1.525:1

PRODUCT DESCRIPTION

ZF Marine Transmission BW 165 AP1, 1.525:1 RTO, 4,212 hours lifetime on unit. Was removed from a 46' Jarvis Newman powered by a 1000 hp MTU. The marine gear was removed because the engine was replaced with a new engine with less horsepower and smaller footprint, necessitating a change in marine gear.
